

**5 April**

**Rally for...**

# TIBET

## **Free Tibetans imprisoned for peaceful protest**

.....  
It is only a few days until Helen Clark signs the Free Trade Deal with the Chinese Govt. Aotearoa / NZ has a unique opportunity to **do something positive for Tibetans**.

We want to give Helen Clark a clear mandate that she should speak up strongly in China and call on the Chinese Government to:

- ❖ **Free Tibetans imprisoned for protesting;**
- ❖ **Allow a UN delegation and foreign media into Tibet unchaperoned.**
- ❖ **Engage in meaningful dialogue with the Dalai Lama to find lasting solutions to the situation in Tibet.**

### **Peaceful friendly event.**

**Wear something orange (colour for remembering Tibet). Bring your friends and family.**

**There will be speakers, music and activities. Hear about what is really going on there and what we can do from Wellington.**

All welcome at **Frank Kitts Park**

# **Sat. 5<sup>th</sup> April at 12 noon**
